Update from U.S. Department of Homeland Security – Office of Health Affairs

On October 4, 2006, the President signed into law the Post-Katrina Emergency Reform Act, which establishes new leadership positions and creates and reallocates functions to other components within the Department, effective March 31, 2007. The Office of Health Affairs is established with three main divisions: Weapons of Mass Destruction and Biodefense, Medical Readiness, and Component Services.

- Dr. Jon Krohmer, Principal Deputy Assistant Secretary and Deputy Chief Medical Officer (confirmed)
